The DEWAN
To His Highness the Maharaja of Mysore,
MYSORE.

The ever humble and loyal prayer of residing at Nazarbad, Mysore City.

Most respectfully begs to submit

That your honor's humble servant having had his training at the School of Arts, Madras, under Mr: E.B.Havell in drawing, modelling and Pottery porcelain joined the Mysore Service in 1892 and worked in the Industrial School, Mysore for about 14 years-- His services were deispensedwith along with a few others.

2.That the petitioner thereupon began to work himself by preparing artistic Terrocotta works and has been continuing the same in house No: 996, Race Course Road, Nazarbad Mohalla, Mysore.

3.That the petitioner having been favoured with orders from the Palace Marahamat Department has supplied ornamental tiles, modellings & etc as also to the public at large.

4.That the petitioner being a large family man not blessed with other resources, has not been able to produce extension works of the kind. An extensive work-shop with all the apparatus and accessories thereto are badly wanted for making finer things, with glazed on a larger scale, agreeable to the taste of the modern advancing age.

5.If local industries are encouraged, as your honor has now been doing, then there will be less scope to call for such articles from other markets.

(2)

6.What the petitioner seeks at the hands of the Government, has been set forth in para 4 above. In addition thereto a small advance of Rs. 500/- may also be made for the purchase of the necessary articles connected with the business. The petitioner may kindly be given an opportunity to show his capability and capacity in turning out the above work to the satisfaction of Government. If found satisfactory the Government may be pleased to give further encouragement.

7.That the petitioner is prepared to repay all advances and loans from Government, in easy monthly instalments after begining the work-shop to a good working order. As security for the Government loan or advance, the whole of the work-shop with its accessories will be pledged to Government till the debt is discharged.

8.The kind and generous act will enable the petitioner to make a name in the calling and enable him to secure an honorable source of livelihood.

Your Honor's Most Obedient
and humble Servant.
